Press Release

Scovill to Exhibit at SPESA

Clarksville, GA, April 19, 2010 – Scovill Fasteners, Inc. manufacturers of a wide range of closure products for apparel and industrial applications announced today that it will exhibit at this year's SPESA trade show that will be held in Atlanta, GA from May 18 through May 20.

Scovill will feature Duramark™ buttons and snaps, Gripper® snap fasteners, and DOT® specialty fasteners in the display booth that will be staffed by closure experts who are knowledgeable in the diverse applications for snap fasteners found in apparel and industrial markets.

The Scovill exhibit is booth number 5423.
