Morito Scovill

For Safety, Performance and Style...

From playtime to naptime, Morito Scovill is your ideal choice for safe, strong and reliable fasteners for infant and children's apparel. We have been leading the industry for more than 75 years with our legendary Gripper®, the original infantwear snap fastener – and today, we continue to deliver both safety and style with options tailored to your needs.

We offer products that are made to meet rigorous US and EU quality and safety standards, including the Consumer Product Safety Improvement Act (CPSIA). Many of our nickel-free products, such as brass Mighty Snaps® and brass Gripper® in White Bronze finish, are certified by OEKO-TEX® STANDARD 100 (N-KEN 12144 Nissenken).

Customer-Centered Solutions To Support Your Needs...

Morito Scovill understands our role as your partner and offers unique benefits throughout the fastener selection process and beyond:

We offer:

- Global, end-to-end consultation and fastener design support
- 3-D artwork within 24 to 48 hours of request
- Product samples readily available
- Hundreds of finish colors and textures with custom color matching capabilities
- In-house product testing and quality control
- Selection of automatic, semi-automatic and manual attaching machines to meet your specific needs
- Responsive global technical support in the field for attaching machines and tooling

Gripper®
