Duramark® Buttons and Burrs

For Durability and Style...

Designed to match denim's superior strength, Duramark® Tack Buttons and Burrs are known throughout the jeanswear market for their ability to remain secure and fashionable through everyday washing and wearing. Developed to ensure reliability, they are secure and fashionable – with a range of components, finishes and logo options to enhance your brand image and meet your specific needs.

Mighty Snaps®

The Secure Choice for Denim...

Adding strength and versatility to your garments is a snap! From securely fastening denim jackets to lending the perfect finishing touch to overalls and jeans, Mighty Snaps® can help your jeanswear stand out. With substantial holding strength, they're available in hundreds of metal and enamel finishes and custom color matching options – and a wide variety of style choices.

Zippers and Name Plates

For the Finishing Touch...

Expand your creative possibilities with our diverse range of metal name plates and zippers. Choose from open-end and closed-end zipper styles in a variety of sizes, lengths, functions, tape colors and teeth finishes. Many custom and standard pull options are available to enhance your garment's appeal.

MORITO SCOVILL

Morito Scovill develops and manufactures a diverse range of high-performance fasteners for our apparel and industrial partners. Our customer-focused capabilities and global collaboration provide the highest level of service – from fastener design and delivery to application.
